SUMMARY OF THE REASONS FOR DECISION:

The untitled photograph also known as "Photograph A" is classified as:
Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The classification is due to the photograph's explicit depiction of sexual conduct by a single female subject. The conduct is of a strongly degrading and demeaning nature. The image also degrades the female depicted to a degree. The female's apparent control of the situation is a significant mitigating factor. The photograph appears to be a personal record of a sexual act intended for viewer titillation or sexual stimulation.

Consideration has been given to the relevant provisions of the New Zealand Bill of Rights Act 1990 as they relate to this publication. Given the explicit sexual content and the purpose for which it appears intended to be used, the restriction on the availability of the publication is considered to be reasonable and demonstrably justifiable.
